Ai Prompting and Website Development

The graphic features a central white rectangular box with a dark blue, hand-drawn style border. Inside the box, the words "PROJECT" and "PORTFOLIO" are written in a bold, rounded, blue-outlined font. The background consists of a sunburst pattern of diagonal stripes in red, orange, and gold, separated by white. Two brown film strips with white sprocket holes are curved around the right and bottom of the central box. A small, multi-colored starburst is at the top left of the box, and a yellow lightning bolt with a black outline is in the bottom right corner.

PROJECT PORTFOLIO

Project 1

CAPACITI Summative Assessment

CAPACITI Formative Assessment

- **Principles of business and the role of information technology**
